Subject: Liturgical Music in English of the Syro-Malabar Qurbana, request for authorization of the use and distribution.

Your Excellency,

Received your communication dated on 01-09-06 referred above.

I am very glad to see that you have taken initiative to prepare music for the solemn form of the Syro-Malabar Qurbana in English. I congratulate you and Rev. Fr Joseph Palakeel CMI and all your collaborators for giving tunes to the lyrics. It was indeed a felt need for our English Qurbana. This can be made available for liturgical celebration of the Syro-Malabar Qurbana in English. It is important to take note of the opinion of those who use them. You can also send them to the secretariat of the Commission for Liturgy for information.

Congratulating you once again for this noble venture

Yours Sincerely in our Lord
